

Guidelines;

Check your emails on Saturday's and confirm assignments.

Times listed are start times, way to many officials are pulling into parking lot or walking into gym or on field at game time.

Arrive early enough to pre-game with partner and coaches and do pre-game captain meeting.

Know the location where you're going and estimate your travel time.

Dress, look and act in a professional manor. Leave you cell phone in your car or in your bag. Do not bring it out at every bad ball or time out.

We are called **ELITE SPORTS OFFICIALS** and need to always portray this at each and every assignment.
